PRESIDENT STEYN NEARLY CAPTURED

British Give Surprise Party to Boer Leaders.

KITCHENER CALLS FOR MORE HORSE TROOPS

Can't Reduce Strength of Army Yet—Important Leaders Were Taken—Valuable Papers.

London, July 14.—The War Office has received the following dispatch from Lord Kitchener, dated at Pretoria: "Broadwood's brigade surprised Retz, capturing Steyn's brother and others. Steyn himself escaped in his shirt sleeves, with one other man only. The so-called Orange River government papers were captured." Lord Kitchener also reports that Schrepper's commando, as announced in dispatches early last week, burned the public buildings in Murraysburg, Cape Colony, and some farmhouses in the vicinity.

According to further advices from Lord Kitchener, the columns under Featherstone and Colonel Dixon have reached Zeeuws, Western Transvaal. They met with opposition and made some captures. The British casualties were one officer killed and three officers and twenty-four men wounded. "General Broadwood," says a dispatch to the Daily News from Bloemfontein, "surprised Retz due east of Lindley at dawn last Thursday, July 11th. He took twenty-nine prisoners, including General A. P. Clowne and General Wessels, Commandant Dwaal, First Cornet Pelt Steyn, President Steyn's brother, Thomas Brain, Secretary of Government, and Roches de Villiers, Secretary to the Council. Steyn himself fled without coat or boots. General De Wet is believed to have been present."

Lord Kitchener has advised the Government, the Daily News understands, that it is possible to withdraw a large number of infantry regiments from South Africa, amounting virtually to the greater part of the mounted army. At the same time it requests that he be supplied with more mounted men. The Government is considering this, according to the Daily News, and will probably be guided by Lord Kitchener's advice. "It is also contemplated," says the same journal, "if the infantry is largely withdrawn, to concentrate the British troops along the Natal railway between Durban and Pietermaritzburg and between Johannesburg and Pretoria, thus carrying gold and provisions for the troops by a shorter route than the Cape Town route. A portion of the line from Cape Town to Pretoria may be abandoned."

STEEL TRUST LABOR ALL WALKING OUT

Pittsburg, July 15.—Reports received from all sources connected with the strike of the steel workers today indicate that the members of the Amalgamated Association have matters well in hand and that the strike order was generally obeyed. Telegrams from various points where the mills of the American Tin Plate Company, the American Steel Hoop Company and the American Sheet Steel Company are located tell of the shutting down of those plants in large numbers. In many cases the plants had been shut down by the first strike order, which affected the sheet steel and the steel hoop companies only. The last order brought out all union plants of the American Tin Plate Company, with the single exception of the new mill in Monessen, which is still running. At the Amalgamated Association headquarters it is stated that the figures given out Saturday night regarding the number of men who would be actually idle in the mills of the three companies have proved correct. This number was placed at 74,000.

Of the 74,000 men idle 2500 are in Pittsburg, 800 in Allegheny and 1300 in McKeesport. President Shaffer has it in his power to close many more Pittsburg mills, but it is not thought that he will do anything of a radical nature until he is compelled to.

TO SAVE HIS FEELINGS

MARKS OF WAR TO BE COVERED IN PEKING

Preparing for the Emperor's Return—Foreign Troops to Withdraw From the Palace.

Peking, July 14.—The Chinese officials are making elaborate preparations to save the Emperor's pride when he enters Peking. All evidence of the destruction wrought by the war along the streets to be traveled by the Emperor will be temporarily disguised. Great pagodas will be erected. The Chenmen gate, which was nearly demolished by the bombardment, will be repaired with wood and plaster, painted to resemble stone, and the damage to the walls and outer buildings will be similarly masked.

Li Hung Chang has asked the withdrawal of the foreign troops from the temples and palaces not later than August 15th. The Ministers of the Powers have acquiesced and have notified the various commanders of their decision. The Americans and British will probably camp near the summer residences of the legations in the western hills until their barracks are completed.

PYTHIAN ENDOWMENT IS UNDER INVESTIGATION

Chicago, July 14.—John A. Hinsey, who, as a result of an investigation of the affairs of the Endowment Rank of the Knights of Pythias recently, was permitted to resign from the board of control, was again under fire yesterday. Officers of the Knights of Khorassan, the pleasure seeking branch of the order, of which Hinsey was imperial prince, held a secret session, at which it was decided to ask him to resign. It was also decided to call for an examination of the books. Although Hinsey was a prime mover in founding this branch he was not allowed to attend the meeting today.

Hinsey resigned his position late this afternoon. He stated that he did so believing it to be best, so as to relieve the order of any embarrassment from the publicity given to the attacks made on him in connection with Endowment Rank matters.

Gen. Funston writes a friend that he will resign from the army when peace is restored in the Philippines.

BIBLE IS AGAIN TO BE REVISED

American Episcopalians to Make Changes in the Text.

DECISION OF BISHOPS AFTER SIX YEARS WORK

Only Three Passages in New Testament Given Critical Note—Earlier Manuscripts.

New York, July 13.—After nearly six years' labor a committee of five Bishops and five priests of the Protestant church has completed what is practically a new revision of the Bible. This committee is known as the joint commission on marginal readings in the Bible, and was appointed at the general convention of the Protestant Episcopal Church in 1895, with instructions to report to the general convention of 1901. It did so, but limited its recommendations to the books of the New Testament. A resolution to continue the commission was adopted by the House of Bishops and the House of Deputies in the convention of 1898, in order that it might prepare a more complete report for the convention of 1901 in San Francisco next October.

The commission's report is very extensive. In part it says: "The commission has not thought it necessary to mark in any way passages like that relative to the woman taken in adultery (St. John, viii:1-11), or the last verses of St. Mark (xvi:9-20), where the genuineness and canonical character of the passages is quite independent of questions which have been raised as to the exact place in the gospel narrative of the first passage or as to the precise literary history of the second."

"With regard to only three passages in the New Testament has the commission felt called upon to make any critical note. In these instances the commission has simply stated the fact, now universally recognized, that the passages in question are not found in some of the earliest manuscripts. These passages are the verse explaining the healing virtue of the pool at Bethesda (St. John, v:4), the Ethiopian eunuch's profession of faith before his baptism (Acts, viii:37), and the doxology at the end of the Lord's Prayer in St. Matthew, vi:13.

"St. John, v:7-8, is given in our margin without the clause as to the three heavenly witnesses, which clause is absent from all but the latest Greek manuscripts, and is generally recognized to be no part of the original text. "The commission recommends the adoption of the following resolution by each house of the General Convention. Resolved, That the marginal readings for the English version of the Old and New Testaments reported to this house by the joint commission appointed in 1895, and reappointed in 1898, to make such report, be published under the direction of the said commission, and are hereby authorized for use by the ministers of this church in the public service of the church."
